Where children
develop a love
for learning

RC International School

Ruam Rudee Learning Centre
Ruam Rudee Day Care Centre

Mission and Philosophy Statement

Our mission is to help develop young learner's full potential by providing the highest quality education through child-centered learning in a relaxed, secured and caring environment. Following the British Curriculum, with an international perspective, our mission is central to our philosophy of development of the whole child. Our focus is the learners' intellectual, physical, psychological, emotional, social-cultural, artistic and moral development.

Aims

The school aims to provide each student with the essential elements necessary for the development of their full potential. Amongst these are:

- an atmosphere that is conducive to effective, efficient, positive learning, in a relaxed, secure and caring environment
- extensive, academically stimulating and highly relevant intellectual activities, which develop logical, critical and creative thinkers
- activities and opportunities that develop the learners' psychological, emotional, physical, artistic, ethical and moral values

Curriculum

The school offers a curriculum based on the National Curriculum of England, also known as the British Curriculum. Due to the diverse needs of our multi-cultural student base, our curriculum is modified to suit the dynamic needs of our students. The core subjects are Literacy (Language Arts), Numeracy (Mathematics) and Science. Physical Education, History, Geography, Information Communication Technology (ICT), Design and Technology (DT), Thai Language / Culture, Modern Foreign Language (MFL), Citizenship (Values), Music, and Art complete the curriculum.

Programme

Ruam Rudee Day Care Centre accepts infants ages six months to 1½ years.

Ruam Rudee Learning Centre, the RC International School's Early Years Department, offers a well-rounded programme for the Foundation Stage which encompasses Nursery (ages 1½ to 3+), K1- K2 (ages 3+ to 5+). Key Stage 1, Year 1 (ages 5+ to 6+) and Year 2 (ages 6+ to 7+) are also included in the Early Years department.

The RC International School offers a balanced programme for Key Stage 2, Years 3 to 6 (ages 7+ to 11) in the Primary Division and Key Stage 3, Year 7 - 9, (ages 11+ to 14) in the Secondary Division.

Facilities

RC International School is equipped with modern, state-of-the-art facilities. Our newly built six-storey building amenities include:

- Computer laboratory
- Fully equipped air-conditioned classrooms
- Science laboratory
- Music / Art room
- Library / Resource Centre
- Swimming pool
- Outdoor / Indoor gymnasiums

RC International School also offers a safe and fully equipped children's playground.

School Profile

Established in 1992 with the Early Years programme, the Primary and Secondary Years programmes were implemented in the year 2000.

RC International School's student community is comprised of, at present, children from twenty-four countries. Taught by our highly qualified teachers, the school atmosphere is truly international!
